

MANDY BOURSICOT ATELIER

SPRING 2019  
WEEKEND WORKSHOP  
PLEIN AIR PRIMER

## PLEIN AIR PRIMER

JUNE 8 & 9 | SATURDAY 10-5 AND SUNDAY 10-1  
\$210 FOR 9 HOUR WORKSHOP

Right in time for the summer, this workshop is an introduction to painting outdoors.

The subject matter could vary from faraway vistas to waterfront views, skiescapes, quaint storefront pictures or portraits of animals in the field.

What all these have in common is the artist being immersed in the outdoor environment and in the subject matter of the painting. The idea is to make quick colour notes in oil that capture the essence and spontaneity of the moment.

This workshop covers everything you need to know to paint outdoors, what materials to use, how to set up field easels, where to go, painting with a group or a buddy, how to transport wet painting back and much more. We will cover how to tone canvas boards and paint a few quick landscape sketches in preparation to venturing out to a new and rewarding activity.

Beginners and experienced painters are all welcome.
